Housing Agreement

BIOLA UNIVERSITY HOUSING & FOOD SERVICE CONTRACT - 2010/2011

This Housing & Food Service Contract is an agreement between the undersigned student ("Student") and Biola University, Inc. ("University"). Upon agreeing to this Contract, the Student immediately becomes responsible for all terms of the Contract in addition to all terms in the current Biola University Catalog, the Biola University Undergraduate Student Handbook ("Student Handbook"), and the current Biola University Housing & Food Service Handbook, whether or not the Student takes possession of the room keys and/or moves belongings into the room and/or uses the Meal Plan. Failure to abide by the terms of this Contract may result in fines and/or charges, disciplinary action, and/or the withholding of the Student's transcripts until all financial obligations are met. The Student Handbook (<http://studentlife.biola.edu/campus-life/student-handbook>) and Housing & Food Service Handbook (<http://www.biola.edu/offices/auxiliaryservices/housing>) are both available online.

I. DURATION
The Student agrees that the duration of this Contract is for the entire Academic Year (or remaining portion thereof at the time of agreement) as defined by the University. See the Housing & Food Service Handbook for beginning and ending dates of the current Academic Year.

II. EFFECTIVE UPON RECEIPT
This Contract is effective on the date the Student agrees to the Contract. None of the terms of this Contract may be modified by the Student.

III. TERMS OF PAYMENT

A. ROOM & BOARD RATES (See the Housing & Food Service Handbook for current rates.) Housing and Meal Plan charges shall be reflected on the Student's school bill for the Academic Year and shall be payable in accordance with University student billing policy.

B. HOUSING RESERVATION DEPOSIT

1. A Housing Reservation Deposit of two hundred fifty dollars (\$250) is required of all students applying for University housing. This Deposit is not to be considered as a partial payment of housing charges, but as a refundable deposit under the terms of this agreement. In consideration of the Student's payment of the Housing Reservation Deposit the University grants to the Student the right to reserve one student residence space for use during the Academic Year on the terms and conditions set forth herein.

2. A refund of the Housing Reservation Deposit is made as a credit to the Student's account balance: (a) should this Contract be properly canceled (see the Housing Deposit section of the Housing & Food Service Handbook); or (b) upon graduation from the University. **Failure to give written notification of cancellation by the deadline dates described in the Housing & Food Service Handbook will result in forfeiture of the Housing Reservation Deposit.**
